Greetings to All!

What a great Mid-Winter Conference that PSERP John Tomahawk Calhoun and State Madam President Elect Gloria Calhoun put together. I want to thank all our members that attended and hope to see the attendees more.

Thank You to Jupiter 4267 for the great food, hospitality and Jameson at your anniversary. I want to thank St Augustine 4256, Orange Park 4365, Daytona Beach Shores 4469, Gainesville 4385, Ocala 3656 and Ocala Forest 4216 for hosting our GWP Peter Ackers while he visited Florida. I also want to thank any Aeries that he "dropped in" for the hospitality that was extended. Thank you for Ocala Forest 4216 for the awesome President's 5k Charity Walk and all the funds raised for Moffitt Cancer Center. Thank you for the hospitality and the great food at your Anniversary.

Thank you to St Augustine for hosting the State Dart Tournament. What a turn out! They ran a great tournament with great food and fundraising for Moffitt Cancer Center and to assist the family of Orange Park Auxiliary 4365 Manuela Perry, who passed away unexpectedly.

March 1 has us at Orlando 3496 for the Aerie EBoard Meeting. March 8 we are in Cocoa 3550 for their Anniversary, then it is fun at the State Picnic on March 29 at Port Orange 4089.

March is Colorectal and Kidney Cancer Awareness

Regular colorectal cancer screening is one of the most powerful tools against colorectal cancer. **Screening can often find colorectal cancer early**, when it's small, hasn't spread, and might be easier to treat. **Regular screening can even prevent colorectal cancer.** A polyp can take as many as 10 to 15 years to develop into cancer. With screening, doctors can find and remove polyps before they have the chance to turn into cancer.

Many kidney cancers are found while they are still just in the kidney, but others are found at a more advanced stage. There are a few reasons for this:

- Sometimes these cancers can grow quite large without causing any pain or other problems.
- Because the kidneys are deep inside the body, small kidney tumors cannot be seen or felt during a physical exam.
- There are no recommended screening tests for kidney cancer for people at average

[Early Signs of Kidney Cancer Can Kidney Cancer Be Found Early? American Cancer Society](#)

Remember the only stupid question is the question **NOT** asked so **"Do the right thing"**.

I am always available to answer questions and help in any way I can.

Looking forward to seeing everyone on this awesome Eagle Trail.

Fraternally, Desiree

From The State Madam President

What a fun filled month I had, starting out with Jupiter 4267, what a great time we all had, good food, friendship, and the donations to MOFFITT.

My next adventure was with Grand Madam President Mary Gutierrez, visiting with us for 6 days, we had such a great time traveling together. First stop was Thursday in Englewood 3885 for lunch, I loved having both Aerie and Auxiliary members there to greet Grand Madam President Mary, thank you all for the gifts, donations, the cake and delicious lunch. Then we were off to Cape Coral for a little cat nap. Then Cape Coral 3957 at 6:30 for Dinner, Meet & Greet, and donations to GMP'S charity. The next morning, we were off to Port Charlotte 3296 for 11:30am lunch and meet & greet. Again, thank you Aerie and Auxiliary for the wonderful lunch, the room was so beautiful, and the flowers were over the top. Thank you.

Oh boy, now on to a 4-hour drive to Ocala Forrest 4216 for dinner and meet & greet. The next morning was the President's charity walk at 8 a.m. Ocala Forrest did a fantastic job collecting over \$13,000 for Florida State Presidents charity, and the donations to GMP's charity, we are so grateful and appreciate all the hard work you all have done to make this walk a great success.

Ocala Forrest Anniversary was wonderful, the food, the room and donations, thank you for a great weekend.

On to Orlando 3496 for meet & greet and dinner. I finally learned how to play meat shoot, GMP Mary and I had a great time. It was really fun even though I didn't win but I got a box of GS cookies to take home with me. Thank you Orlando.

Monday started out with a drive back to Cape Coral for Show me the Eagle and a pizza party. And on to the hotel for a much needed rest before GMP heads to the airport at 5:30 in the next morning to head to CA.

GMP Mary sends her love and is hoping to return to Florida real soon.

More than Cancer care from MOFFITT.

Treating cancer is what MOFFITT does. But more than the latest treatment options, they are also committed to cancer prevention, cancer screenings for early detection, and a range of diagnosis services for cancer and other conditions.

Desiree and I are looking forward to our visits and meeting as many members along the trail.

Hello Brothers and Sisters

This year I'm the Florida State chairman of the Memorial Foundation, while promoting this I was surprised of the number of members that don't about this foundation. It was founded to offer aid to the children of Eagle members who lost their lives during World War 2. Since then it has been expanded to all military and first responders, along with Volunteer Law Enforcement, Volunteer Fire Fighters and Volunteer Emergency Medical Service Officers. The Memorial Foundation benefits Education, Medical, Dental, Optical, Psychiatric and Hospitalization.
