TO: ALL LOCAL AUXILIARY SECRETARIES

It is very important that the State Secretary always have current information on the President and Secretary of each local Auxiliary, the Aerie address, the meeting night and meeting time. This is also used in preparing the State Auxiliary Directory which is sent to all Auxiliaries in the State. If there is a change during the year of any of this information, it should be sent to the State Secretary.

Please return this form as soon as possible if there is a change. Thank you.
