What a great start to the new state fraternal year with a great convention. Thank you to all who helped and participated to make it a success. A big thank you to all that helped with the Incoming President's reception, a fun time was had by all.

As we start this new year, please get a copy of the cursory survey found on FOE.com and check on your Aerie's health. As started last year every Aerie in the state will have someone come to the Aerie and perform a survey in the near future.

The charity this year is the Norman Fixel institute for Neurological Diseases through UF Health. Truly a great organization trying to lessen and cure the suffering, not just on the patient but on the loved ones that are affected also. I am grateful to work on this with our State Madam President Beth Henschen.

My slogan is "Let's fire em up for the FOE and never put em out." I believe if we all get fired up and enthusiastic about the greatest fraternity ever, and we pass that on to one more person and they in turn pass it on, it could have a domino effect and help us have people searching to join us for the fun we have while raising money for charity.

What a great group of State Officers we have this year. Remember we work for you, the membership, and are here should you have a question or concern. Please call us.

As I write this I am packing for the National Convention, hope to see many of you there. I know it will be great with a lot of fantastic information shared.

I can't wait to see you all on the Eagle trail.

Fraternally yours,

Greg

Greg Hall

Florida State Worthy President

Thanks to all of our Aerie Members, Officers and Charity Chairmen. You were all part of my great year. A special thanks to the Youth Rally person: Auxiliary #4208 Beth Bendl, and Aerie Debby Stark of #4208 for her help in the Aerie this year.

All of us showed what "People Helping People" really means.

Fraternally: Bill Lucek, Jr. Past State Worthy President

From Your Florida State Aerie Secretary

State Convention was great if you did not attend you sure missed out. We will be at the same Hotel next year and we will let the Members know when we can start reserving rooms for next year. The cost of the Class is \$25 a person, Orlando will provide a Lunch for a \$5 Donation. **Anyone may attend the Class.** I will be sending out information to all the Aeries. From The State Madam President

It is truly an incredible honor to serve the Fraternal Order of Eagles as your Florida State Madam President for the 2019-2020 term. Thank you so much to the Florida State Past Presidents for having the confidence in me to serve in this position. Thank you for your guidance and encouragement. Thank you to the membership for all of your support and well wishes. Thank you to the Installation team, escort team and all who helped in the incoming reception. Thank you especially to my auxiliary sisters of Clearwater #3452. Greg and I have chosen UF Health for our Alzheimer's fund raising.

***UF Health neurologists at UF Health Neurology – Medical Plaza
They offer specialized treatment options for the simple diagnoses as well as complex neurological syndromes. Our team of board-certified neurological experts provides consults, evaluations and treatment for people with neurological problems who are seeking a higher level of care. We are a medical destination for patients from around the world.***

Greg and I are looking forward to our visitations and meeting as many members as we can on the trail. After returning from International Convention in Louisville, KY, we will make our first stop at Ocala #3656 on July 27. See you then!
