Hello Brothers and Sisters,

Fall has arrived and hopefully some cooler temperatures with it.

Our travels the past month have taken us to St. Augustine and S.W. Volusia. Great food, fun and fraternalism had by all. Thank you for the generous donations to our charity.

As I write this I am preparing to head to the Southeast Regional Conference. I hope to see many of you there as I am positive there will be a wealth of great information shared. We are honored to have Grand Worthy President Ron Malz sharing this weekend with us.

During our travels there are many questions on charity grants. There is a Grant Explanation Guide available from the Grand Aerie that is a great aide in helping you with the total process of applying for charity grants.

That is all that I have for this month. Be safe and I hope to see you on the Eagle trail. Fraternally yours,

Greg

From The State Madam President

Dear Sisters & Brothers,

We began September with an Auxiliary School in Daytona Beach with record numbers. Thank you to all the attendees. Your willingness to learn more shows your support and caring for the Fraternal Order of Eagles and for each other. The Instructors aren't so bad either.

The Cowboys and Indians at St. Augustine #4256 were wild and friendly at the same time. Thank you all for so much fun. The food was excellent. Thank you for your generous donation to the charity and for the great gifts I personally received. It was wonderful to see all of you have such a good time together.

A big thanks to S.W. Volusia #4201 for an incredible evening. You always have the best entertainment. Greg and I adore the plaques. We appreciate the time, effort and thought that went into the dinner, the fund raising for the charity checks and the decorations that were so beautiful.

South East Regional was fantastic. First of all, it was the bomb to see everyone all together again. What an awesome conference. John and Connie had a great crew to put this all together. New Port Richey's members did such a great job with the meals, the conference and the room turnovers to make each part of the conference comfortable and seamless. Thank you to all the speakers with their so important topics.

If you missed this, you need to make it to Mid-Winter. The valuable information will knock your socks off.

See you all on the trial,

Beth

God, Flag and Country Program How to Get Started

The Worthy President of each Aerie appoints a chairman and a committee, or the chairman may select his/her own committee. The chairman contacts the schools, girl scouts, boy scouts and home school asking for their support and participation. The school should be provided with copies of the rules, a list of awards, contest scoring forms and a letter explaining this is a local competition and its progression to a state and national competition.

The committee should contact the local newspaper, radio stations and television stations to get maximum coverage of the local event and put up posters around town announcing the competition.

Get the members of your Aerie/ Auxiliary interested. When the competition takes place, be sure there is a strong turnout of members to show support of local youth.

- All entries should be in by February 22.**
- Aerie Competition to be held in March.**
- District Competition to be held in April.**
- Zone Competition to be held in May.**
- State Competition to be held in June.**

I urge you to implement this program in your Aeries and Districts. If you can't implement the program in your Aerie, would you please consider giving a monetary donation for cash prizes at the State Level and Travelling Funds for the National Level? Please send any donations to State Aerie Secretary Jeff Patton earmarked for God, Flag and Country. Let's make Florida proud!!
