Ana L. Mahar

Greetings Brothers and Sisters,

It is hard for me to believe that a year has passed already and that this is my last post as your State Worthy President.

What a great year it has been visiting with all of you that we were able to before the State was shut down due to the Corona virus. The Brother and Sisterhood, friendship and true fraternalism shown by all has been astounding and truly heartwarming. I thank all of you for this and for the generosity for our charity. You all are amazing.

It is unfortunate that we will not be having our State Convention this year. The health and safety of all of our members is, and will remain, our main concern. Some of you may not be aware so I will share here with you. This State Convention the Florida State Aerie celebrates our 60th anniversary as a State Aerie. **Congratulations to our State Aerie for 60 great years.**

As we entered this year we stayed on a path to recognize and help our troubled Aeries early on in an effort to assist them before it was too late and we lost them. We continued with the Cursory Surveys each year on all of our Aeries in the state plus sending a member with knowledge in an Aerie for advice and council if an Aerie showed up on the monthly state club health report. We offered help with advice on compliance issues or financial issues based on what that Aerie needed. We must remain in compliance and financially sound for our Aeries to survive. I am happy to announce that we have, through these programs and everyone's help, been able to cut our troubled Aeries in the State down to just a fraction of what it used to be. A big thank you to all.

While we recognize that we need to reopen and return to somewhat of a normal routine, please follow all State and Local mandates that are in place to assure that we all remain in compliance with the laws that we make an oath to follow. The covid-19 virus is going to be with us for a long time. We need to band together and continue to protect our membership as much as possible. Brothers and Sisters, it is also up to us as individuals to practice social guidelines to protect ourselves from this virus, whether in public or in any social situation that we may encounter.

I will close with this; it has been the highest of honors for me to have served as your State Worthy President this year. I want to thank all of you for everything you have done and are doing for the Fraternal Order of Eagles. I want to wish President elects Steve and Betty the best for the next year. Please know that I am, and will always be, here for each and all of you to help in any way that I can. I thank and love you all. I will see you on the Eagle trail.

Fraternally yours always, Greg Hall - Florida State Worthy President

From The State Madam President

Dear Brothers and Sisters,

Well, this has certainly been an unusual year for all of us. Greg and I were overwhelmed at the graciousness conveyed to us this past year.

We have some tasks to finish up together. Sisters, if you could send out Ahlziemer's and Parkinson's monies to Donna Marcinak, the State Secretary, she will be able to total out the year for a presentation to UF Health Gainesville. Also, get all the gals together that have been waiting to be initiated for your second meeting after you get to open.

To Betty Greer, all my love and best wishes for you and the new slate of State Auxiliary Officers. May success be with you.

To all the Auxiliaries we were unable to visit this year, Ted and I would love to see you. Please feel free to contact me to make arrangements.

Thank you all for your support this year. Your hospitality, generous contributions, wonderful meals and especially your friendship. It has been a privilege and an honor to serve as the Florida State Auxiliary President this year.
