Greetings Brothers:

Can you believe it, March! How time flies when your having fun. I am now in my final quarter of the fraternal year as your State President. We have been through a lot since last year and I am so proud of you all for your resilience and dedication to our Order. I would like to be able to say it is over or we can see the light at the end of the tunnel, but unfortunately, I cannot. With that being said, I am making as many Aerie visits as humanly possible to meet as many of you that I can, and the month of February was no different.

After returning from Mid-Winter and following up with Orange Parks Anniversary, we hit it strong heading west to Ocala Forest and their annual President's Charity walk. If you have never been to this, it needs to be on your bucket list. Super job all. That week I packed my bags and was off to Clearwater for the Grand Aerie Exec. Board meeting for the week. We had many unexpected schedule changes, and it was a busy week. Following, I visited with the members and officers of Okahumpka and Belleview and was received very warmly. What a great group of Eagles. Then we were back out west again visiting Ocala Aerie and that evening finishing up with Ocala Forest's 32-year anniversary. Congrats to Silver Springs and I wish you many more. The weekend did not stop there. The following morning, we met up with the Florida State Eagle Riders as they converged after many wet days of riding and collecting donation at my State Eagle wife's Aerie, Port Orange. John Daff and his fellow Eagle Riders are an exceptional group of Eagles and I will always be indebted to them eternally. I will leave it at that until the State Convention this June, and by the way, speaking of the convention, please make your hotel reservations "now" to reserve the best rooms. We closed out the month back at the Ocala Aerie for the Florida State Annual Dart Tournament under the careful direction of Dave Ragan, and a superb job he did at that. Thank Dave for a job well done. Now on a somber note. I can not stress enough the importance of each of us taking care of one another and "our Aeries" during this pandemic. We must all do our part to keep each of us and our home Aeries safe from this dreaded pandemic. I ask each of you to do your part and obey the rules of the local authorities as to social distancing and the use of masks. I do not like it as much as any of us, but I comply. If your Aeries BOT require you to wear a mask entering and exiting the Aeries or while walking around and not being seated, please comply as they are only thinking of the care of each of us and the Aerie. I am hearing more and more about people who have had this bug or exposed to it or just finishing up with and coming into the Aeries and not letting our brothers and sisters know so that they can take precautions. Just because you had/have it does not mean it is OK to spread it throughout your Aeries. This not only causes others to get sick, it also may affect the closing of an Aerie thus being the cause of more financial burden on the Aerie not to mention selfishness. As much as we all love our home Aeries and our organization, I ask you to just stay home. I ask each and everyone of you to do your part to stay safe and keep each other safe. As I close, phew! Remember March is a busy month as we start off with the President Roast on the 6th in Vero, not looking forward to that (lol) and the State Aeries Picnic on the 27th in Port Orange along with the State Golf Classic that same day in the morning. Going to be a great day of activities so get your hotel rooms to spend a relaxing weekend or just come up and join us for a day trip. I Thank you all for what you do and as always Jule's and I send our love as I am fraternally yours,
Brother Steve.

From The State Madam President

As Eagles we all know what our motto stands for. This past weekend was a testament to that motto. When I came into this chair as Florida State Madam President the future plans for this year was literally blown out of the water. Why you ask? Well, there were plans in the works to hit the ground running and not stop until the June Convention of this year. Then this, this little scamp called Covid 19 stopped us in our tracks. Was I discouraged? Darn right I was. Did I give up ----no. I pledged we would not be beaten by the little Bug. I almost had to eat my words.

This past Sunday I met up with the Eagle Riders for the final day of their run for the State President's run. Well, I want to thank them for an awesome day and for putting back on track raising money for Steve's and my charities. It's not how much you raise but how much you are helping mankind to have a better life.

Lookout Florida here we come. Let's make these next 3 months count.

Thank you all for your hard work so far, but we are not done.

Betty
