

**FLORIDA STATE AERIE
FRATERNAL ORDER OF EAGLES
SCHOLARSHIP APPLICATION PACKAGE**

Dear Applicant:

Please read the application carefully, and follow all the instructions as set out in the application and the eligibility requirements.

The Secretary of the Eagles Aerie or Auxiliary that your father, mother, grandfather, grandmother or legal guardian is a member of, or that you are a member of, must certify the application to ensure that all eligibility requirements are met.

The application must reach the State of Florida Scholarship Committee Chairman (30) days prior to the opening day of the Florida State Convention, which usually takes place the week that ends on Father's Day each June. This will allow time for screening and preparation for the selection process at the State Convention. You will be notified if you are selected through the telephone number you have indicated on your application.

The amount of each scholarship awarded is determined by the amount of funds raised during the year and the number of eligible applicants. If you have received a Florida State Fraternal Order of Eagles Scholarship Award previously, please indicate the amount and the year received as an addendum to your 100 word statement. You may still be eligible if the previous award was given for a different major and/or school.

We wish you good luck.
