Ms. Betty Greer  
Florida Fraternal Order of Eagles

Dear Ms. Greer,

On behalf of the UCF College of Health Professions and Sciences, thank you for your advocacy on behalf of our UCF Judo Program. We are excited to be your chosen donation recipient as we work to inspire confidence through movement.

Gifts of any size have an immediate impact on the college and the communities we serve by enhancing the scholarship, teaching and service of the college's students, faculty and staff.

The funds that are contributed by you and the entire Florida Fraternal Order of Eagles cohort will be accepted by the UCF Foundation Inc., a 501(c)(3) nonprofit organization operating under EIN 59-6211832. These funds will be used for the equipment, education, and outreach associated with the UCF Judo Program, which helps support and advance children's mental and physical health and development. Your gift will help us sustain our growth and development by supporting our faculty and students as they continue to extend this research to new communities. The donations will not be used for salaries or business expenses.

We are grateful for your vision and commitment. Our success would not be possible without support by friends like you.

Best regards,
